

Eastern CT RC&D Area, Inc. 2012 Annual Meeting

*Tolland Agriculture Center
24 Hyde Avenue, Vernon, CT 06066
Monday June 24, 2013 11:00am - 2:00pm*

Please join us for the 2013 Eastern CT RC&D Annual Meeting to be held this year at the Tolland Ag Center, Vernon, Connecticut. The Eastern CT RC&D Business meeting will begin at 11:00 am with a welcome from John Guskowski, Eastern CT RC&D President followed by a short meeting which will include election of officers, approval of the 2013 annual plan and 2013 Eastern CT RC&D Partnership Awards.

Highlighted at this year's Annual Meeting will be Soil Health and Community Farms. Ray Covino from NRCS will be talking about the USDA's Soil Health initiative and conducting an amazing demonstration of the effect of different tillage and planting practices on stormwater volume and water quality.

Barbara Kelly and members of the Tolland County Agriculture Center board will be presenting the story of the TAC's efforts to acquire the Gunther Property (an adjacent farm) and develop Community-focused agricultural programming for it. A tour of the TAC property will follow.

The demonstrations will be terrific, the lunch will be delicious, but the attendance and participation of our partners is the best part of any RC&D Annual Meeting. We hope you can join us this year.
