

**CONNECTICUT**  
FARM ENERGY PROGRAM

1066 Saybrook Road  
PO Box 70  
Haddam, CT 06438

**Connecticut Farm Energy Program Is Now Statewide. Learn how we can help your farm!**

On October 1, 2011 the Connecticut Farm Energy Program went statewide! Contact our office today to learn how to save energy on your farm or to see if you are eligible for our grant writing assistance. We assist AG producers in applying for USDA Rural Development REAP (Renewable Energy of America Program) Grants. These grants are for renewable energy or energy efficient projects. **Contact us and start saving on your energy bills today!**

## What topics will be covered in the workshops?

- Connecticut Farm Energy Program
- USDA Rural Development – REAP Grants
- NRCS – EQIP Program
- Connecticut Energy Efficiency Fund
- Clean Energy Finance & Investment Authority
- Connecticut Farm Bureau Association
- Professional Energy Installers

Please register at least one week before the workshop so that we have enough printed materials available.

**To register, call (860) 345-3977 or e-mail us at [ctfarmenergy@aol.com](mailto:ctfarmenergy@aol.com).**

Some of the workshops may not have presentations from each of the groups listed above, but information will be available about each program.

*This institution is an equal opportunity provider, and employer.*
