CONNECTICUT TOUR DES FARMS PASSPORT

20 20

TOURDES FARMS.ORG

WELCOME

Join us for a free summer long event as we support Connecticut farms and raise funds to tackle food insecurity. We've handpicked eight regional routes, each featuring 5-10 amazing farms throughout the state. Practice physical distancing while getting outside and exploring Connecticut agriculture!

HOW IT WORKS

Self-verify completion of a route by simply checking it off the list - *honor system*! All passports returned with at least one complete route will be entered in drawing to win a gift basket, among other prizes. Due to COVID-19 precautions, some farms may be closed, therefore we do not require physical stamps. Be sure to call or check the farm website or social media before visiting as hours are subject to change.

RULES

- Passports must be completed between July 1, 2020 – September 30, 2020.
- One passport allowed per person.
- Fill out your info on the back for a chance to win a farm gift basket and other prizes.
- **Deadline to submit Passport is October 9, 2020**
